

COVID-19 STAYING SAFE TOGETHER PLAN

Update 09/07/21

At Crossroads Irish Dance, the safety of our students, dance families, and staff is our top priority. We also recognize how important dance is for our student's physical and emotional well-being - especially at this time. With that in mind, our doors are open and we offer both in-person with specific procedures in place. We ask that you and your family follow the procedures listed below in an effort to maintain the health and safety of those working and attending class at Crossroads.

WEARING MASKS

- Anyone who is fully vaccinated is not required to wear a mask inside the building, however, we do encourage mask-wearing when not being fully active in class to protect against variants.
- Anyone age 2 and older who IS NOT fully vaccinated will need to wear a mask inside the building except when being physically active in class. However, we encourage mask-wearing even during class to help protect everyone.

As Directed By The CDC: If you are fully vaccinated, to maximize protection from the Delta variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.

DROP OFF/ARRIVAL

- Parents MUST REMAIN in their vehicles UNLESS their child is age 8 or under and escorted to the door. This reduces crowding around the front door.
- Dancers may choose to remain in their vehicle till the door opens OR line up by the cones provided in front of the building.
- DROPPED OFF- if you/your dancer is being dropped off please remain in the parking lot until you have seen them fully enter the building.
- Doors will be open by STAFF ONLY to reduce contact of the door handle.
- If classes have begun and you need to enter the building text us (804-366-3955) and a Customer Care Team Member will meet you at the door.

COVID-19 STAYING SAFE TOGETHER PLAN

Update 09/07/21

TEMPERATURE/HEALTH ASSESSMENT CHECK

- Anyone entering the building who is not feeling well or exhibiting any symptoms **MUST** stay home.
- We will be continuing to do both temperature and health assessment checked for anyone entering the building.
- Temps reading 100.4 or higher will not be allowed inside the building.
- Health Assessment is available on the website OR uses the QR code on the door of the building. **Do not** complete more **than 1 hour** before class.

If a dancer is not able to enter the building due to temperature or assessment we will contact parents directly for pick up. To assist us, please do not leave the parking lot until you see your dancer enter the building.

LOBBY- LIMITED OPENING

- Our front lobby will be partially open for up to **2 patrons** to sit at a time. (Mask, Temperature, and Health Assessment Guidance Enforced)
- This will be first come first serve only based on arrival.
- Parents of dancers age 5 and under **ARE** welcome into the lobby to get dancers ready with shoes, bathroom, etc. (Mask, Temperature, and Health Assessment Guidance Enforced)
- Doors will be open by **STAFF ONLY** to reduce contact of the door handle.
- If you need to enter the building for any reason **YOU MUST** text us (804-366-3955) and a Customer Care Member will meet you at the door.

For the continued health and safety of our faculty and students, any conversations/questions needed with our team members should be set up through email (to our main studio inbox) or by phone with our Customer Care Team. We appreciate your help in us making the transition from class to car a success and look forward to days ahead when there is more time for socializing in the waiting area.

Until then, know that we welcome your email, call, or scheduled conference to address any questions or concerns. Our team is staying strongly committed during this pandemic to social distancing and avoid crowding inside and outside the studio.

We're grateful for the teamwork by our parents and staff to make dance possible.

COVID-19 STAYING SAFE TOGETHER PLAN

Update 08/30/21

CLASS CAPACITY

- All classes will continue to have limited capacities
- We will continue to have spaces marked off for dancers during classes.
- We ask that all parents/dancers support us in these efforts as it will allow us to remain safe and continue to keep our doors open.

HAND SANITATION

- Hand sanitation stations will continue to be provided as well as asking dancers to wash hands.
- Anyone entering and leaving the building will be asked to sanitize their hands upon entering and exiting.

SOCIAL DISTANCING

- Social distancing is still expected while in the studio.
- We have ensured markings on our dance floor for distancing.
- Dancers are asked to let teachers guide their movement throughout class.

WHAT TO PACK/BRING

- Hair must be tied back or pinned tightly away from the face to prevent dancers from touching their face.
- Prefer street shoes to be either flip flops or slip on's that fit easily in a bag and are easy to remove and put back on when leaving.
- Dancers will remove street shoes upon entering and placed them in the bag.
- Only Bring What You Need in a small dance bag that fits in a cubby.
- No outside food or drink is allowed inside the building except for personal waterbottle/bottled water.

COVID-19 STAYING SAFE TOGETHER PLAN

Update 09/07/21

LEAVING CLASS/PICK UP

- No dancer will be allowed to stand outside to be picked up.
- Dancers will be dismissed individually by our Customer Care Team to limit crowding by the door.

PARENTS

- If your dancer is age 9 or older PLEASE remain in your vehicle upon pick up.
 - Our Customer Care Team will ensure that the transition from the studio to the vehicle is safe for your dancer.
 - If your dancer is 8 or younger you are welcome to stand at our lineup cones and wait for your child to be dismissed at the door by our Customer Care Team member.
- Upon Exiting Dancers Will:
 - Remove their dance shoes on their dance spot
 - Pick up their bag from cubby area
 - Put on their street shoes at the door
 - Staff will open the door for them to exit
 - ****IMPORTANT: If You Are Picking Up A Dancer:**
 - Plan to arrive 5 minutes before the end of class.
 - Arriving late could affect the next class from starting on time.
 - Parents of dancers ages 9 and up MUST plan to stay in the vehicle.
 - Staff will escort dancers safely to their parents/vehicle.
 - Parents of dancers ages 8 and under may stand on line up cones outside the building wait for their dancer if they prefer.

PARKING LOT AREA

Please Avoid Congregating in the parking lot area or around the building.

- For the safety of our dance families, dancers, and staff as well as, patrons visiting businesses in the suite, the parking lot area must stay clear for vehicles entering/exiting the property.
- Per Property Owner: Business entrances must stay clear for patrons entering the place of business to help maintain social distancing and as to not discourage a customer/staff/owner from entering the place of business.
- Safety is a priority in the parking and entrance areas at all times as we have both vehicles and patrons exiting and entering the property throughout the day/evening. In addition, our studio wants to stay compliant with the following requirements by our property owner and being a good neighbor to shared businesses in the suite.

COVID-19 STAYING SAFE TOGETHER PLAN

Update 09/07/21

CLEANING MEASURES

- We continue to have comprehensive sanitation protocols for our studio that must be followed by our staff.
- Our studio is an Enviro Shield member to enhance our protection of disinfection. [Click Here To Learn More](#)
- On top of sanitation by our staff and Enviro Shield, our studio is professionally cleaned with Jan Pro.
- Products used on surfaces and our floors for disinfection are through Pro Solutions Direct which has EPA approved products for this virus strand.
- The community drinking fountain will be closed and not accessible to students.

KEEP OUR STUDIO SAFE

- **NO ONE** should enter the building if they are sick, and **ANY COVID-19** cases that arise should be brought to our attention immediately.
- [CLICK HERE TO REVIEW OUR COVID PROTOCOL TREE](#)
- We will take **EVERY** precaution to help keep your children safe, but please understand that this does not mean we can guarantee their safety when it comes to COVID-19.
 - We also understand that everyone is not comfortable with coming back to dance, and if that is the case, we simply ask that you notify us so that we can plan accordingly to keep the rest of our dancers safe.

COVID-19 STAYING SAFE TOGETHER PLAN

Update 09/07/21

Procedures for Symptoms, Positive Results and Exposure

SHOWING SYMPTOMS

- If the dancer experiences a fever, cough, shortness of breath or difficulty breathing, chills, sore throat, abdominal pain, diarrhea, loss of taste or smell they cannot return to class until they test negative for COVID 19 or are 10 days from the onset of symptoms and fever free for 72 hours without the use of fever-reducing medications.

TEST POSITIVE FOR COVID

- If a staff/guest/dancer tests positive for COVID 19 they will not return to the studio until they are 10 days from the onset of symptoms, fever-free without the use of fever-reducing medication for 72 hours, and other symptoms of Covid-19 are improving.
- If you tested positive for Covid-19 but did not have any symptoms the dancer can return to the studio after 10 days have passed since you had a positive viral test for Covid-19.

EXPOSURE TO SOMEONE WITH COVID

- If the dancer has been exposed to anyone with Covid-19 they must wait 14 days to return to the studio for in-person class unless fully vaccinated.
- Based on guidance from CDC and VDH this time can be shortened if:
 - After day 10, symptom-free, without testing
 - After day 7 after receiving a negative test result (test must occur on day 5 or later)
- People who are fully vaccinated do NOT need to quarantine after contact with someone who had Covid-19 unless they have symptoms. However, fully vaccinated people should get tested 3-5 days after their exposure, even if they do not have symptoms and wear a mask indoors in public for 14 days following exposure or until their test result is negative.
